O R D E R:

In partial modification of paras 6 and 17 of G.O.No.1082, Revenue dated 6.5.1948 the Government approve the proposal of the Board of Revenue for fixing varying rates of subsidy under the New Well Subsidy Scheme, 1948-49 in respect of tanks in Malabar and South Kanara districts as specified below:

Irrigable capacity of the tank.	Maximum subsidy	Authority competent to sanction.
1 acre to 2 acres	Rs 300/-	Deputy Tahsildars and Tahsildars.
Over 2 acres and upto 5 acres.	Rs 500/-	Deputy Tahsildars and Tahsildars.
Over 5 acres and upto 10 acres.	Rs 1,000/-	District Collector.

2. The Government also accept the Board's recommendation that in respect of tanks in the districts of Malabar and South Kanara the minimum area prescribed need not necessarily represent additional land newly brought under cultivation and that it may include the area under additional crop on a land already under cultivation, i.e., a second crop in land where only a single crop was previously raised on a third crop where two crops were formerly raised.
